Dear Brother & Sisters:

We are happy to report that after tireless negotiations with the NYC Department of Education School Bus contractors and the City of New York as of yesterday, January 29th, we have a tentative agreement!

Let me be clear, this was a joint effort on all our parts. Without the determination and dedication of your Executive Board, special thanks to the Negotiations Committees (Anthony Abruzzese, Richie Adams, Andy Cappa, Richard Castricone, Roy Duquesway, Frantz Juste, Oge Laine, Eduardo Rojas, Vincent Sanges, Paulette Thompson) and the strength of the membership of this Local, it could not have been achieved. My personal thanks to each and every one of you.

Standing together, showing unity and sending a message that we ARE the highly-trained professionals who transport and care for the children of this City every day enforces the fact that we deserve a fair and equitable contract for our members and their families!

Now that we have this tentative agreement, the next step is to have the attorneys on both sides review the language. Once finalized, all parties will sign the agreement. At that point, the delegates will be bringing the agreement to your properties for your review and answering questions you may have before taking a vote. Your vote will ultimately determine whether or not to accept or reject the final agreement.

Know that Local 1181-1061 ATU is committed and dedicated to all its members.

We thank you for your continued support and faith in Local 1181-1061 ATU.

In Solidarity,

Michael Cordiello,

President/Business Agent
and the Executive Board
