**UPDATE**  
March 1, 2019

**Brothers and Sisters:**

As of today, your companies have still not reached an agreement with the NYC Department of Education for their 5-year extension and their 30-day extension ended yesterday. They have signed a 15-day extension; both the DOE and the companies believe they will come to a settlement in that time. We expect at that time we will move forward on our Tentative Agreement.

In addition, the Executive Board and I are heading to Albany on Monday, March 4th and Tuesday, March 5th for the purpose of working with the New York State Senate and Assembly in order to put the EPP in the State Budget.

In a meeting today at City Hall with the 1st Deputy's Mayor, the City has reaffirmed a strong commitment to pushing the EPP in Albany and the City will be joining us in that effort next week.

We will continue to keep you informed on all developments.

In Solidarity,

Michael Cordiello  
President/Business Agent
